## ADD-ON 1

### "AS IT HAPPENED"

With audio from your vows and promises offered as standard on all packages, you'll be able to relive those heart-throb moments over and over.

Want a separate film of just your Ceremony? We offer exactly this so you can share it with family & friends who couldn't make it and aim to get this to you in under 7-days!

- \$550 -

*"Ben was awesome. So friendly and easy to get along with. Made us feel very comfortable, even though we're usually awkward in front of cameras. The video turned out amazing and we just cant get enough of it. We 100% recommend Ben if you're looking for a Videographer to capture your special day"*

*Alex & Nic*

## ADD-ON 2

### "UNIQUELY OURS"

Want to break the mould, have something in-between or reach for the skies and have a destination wedding, then this is for you!

Want a separate film of just your Ceremony? We offer exactly this so you can share it with family & friends who couldn't make it and aim to get this to you in under 7-days!  
- \$550 -

*We decided to elope fairly quickly and were a bit unsure of what to expect when working with a wedding videographer. Right from the start, Ben was super easy to talk to and keen to understand what we wanted to end up with. On the day, Ben was so so fun to have around!*

*Shonel & Nikhil*
